How to Apply – Important Information

So you've found the perfect show for your society or group – what do you do next? It's important to remember that performance rights can be withdrawn from the amateur market without notice. Please check the availability of your chosen show before you commence planning or rehearsals to avoid disappointment and unnecessary expense.

We can give you an indication of a show's availability over the phone. However, rights cannot be confirmed for any production until an application form has been assessed and approved.

You can apply for rights quickly and easily by visiting the LICENSING INFORMATION page on our website at www.cosmicplayers.com.

Please also take the time to read our TERMS AND CONDITIONS of application (These are included at the end of this document for your convenience).

No public performance of our works, under copyright, may be given in part or in full, without prior authorisation in the form of our written Standard Licensing Agreement from Darren Brealey.

It is a condition of the Standard Licensing Agreement to either purchase the published scripts outright at heavily discounted book prices or hire the published scripts for a minimum of three consecutive months prior to your performances to perform the plays in this catalogue.

Rates, hire charges and prices are subject to change without prior notice.

All licences will include:

- freight charges
- a refundable security deposit of \$150.00
- a non refundable booking fee of A\$15.00 (plus GST)
